This well known and extensive establishment invites Merchants, Manufacturers, and Bankers, to an investigation of its system, and gratuitous test of its records of the standing and responsibility cutraders in the U. States.
Our increased patronage has enabled us, during the past year, to open offices in Cincinnati, Louisville, St. Louis, and New Orleans; these, in connection with our long established offices in Roston, New York, and Baltimore, enabled us to offer facilities and advantages which time and experience alone could accumulate, and which we believe are unequalled.
We are prepared to make collections in any of the States, Territories, Canada, England, Ireland, Scotland, France, Germany, and in any commercial port of the world, and will pay particular attention to old and doubtful debts, in the collection of which class we have extraordinary facilities, and have been unusually successful.

Having full lists and reports of nearly all the Attorneys in the United States, we are at all times prepared to furnish you, gratuitously, the names of good and responsible lawyers in any part of the United States, and canadas.
